

DRAWING CONCLUSIONS

Drawing Conclusions

Using what you already know
to figure out what people will

do or say.

he looks sad. I think he'll
cry

Sarah's mom wants her to eat healthy snacks. At the grocery store, Sarah helps her mom to buy apples.

What can we conclude will happen next?

I can conclude that she.... because....

Sharon reads the nutrition labels on food before she buys it. She pays particular attention to how much sugar is in the food. She notices that there is a lot of extra sugar in these snack cakes.

What can we conclude will happen next?

I can conclude that she.... because....

Richard and Luis had been hiking for hours. Richard had to carry Luis for the last few miles of the hike. Sweat was rolling down his face as the sun shone directly overhead.

- What conclusion can be drawn about Luis's age?
- What time of day is it?

I can conclude that Luis.... because....

Annie could hear the music playing over the loud speaker in the mall. She and her mother were shopping for a present for her father. Annie could see a big line in the center of the mall. She wondered what all the people were waiting for. She then heard a jolly "HO! HO! HO!" from the center of the crowd and she quickly realized what the people were waiting on. As Annie and her mother walked through the mall, she noticed that the store windows were decorated with green, white, and red decorations.

- What was Annie's conclusion about the line?
- What season of the year is it?

Annie concluded that people were waiting for.... because....

Drawing Conclusions

Sam is trying to do his homework, but it is so noisy! Other kids are talking and laughing all around him. The engine is loud and the brakes squeak every time they stop, which is often.

1

Where is Sam?

- a. at school
- b. on an airplane
- c. on a school bus

Drawing Conclusions
